## How to find il sorger del sole! Come Raggiungerci!

Most Sat 'Navs (GPS) will bring you directly here, some may display a blank screen and some others may take you to the Post Office in Avenale. Although our address is **Palazzo di Avenale 40** for some reason "Google" maps/earth insist incorrectly that our road is "**Campi Lunghi**" please note that our postcode 62011 covers the whole of the Cingoli area. If you enter il sorger del sole Campi Lunghi 40 (Palazzo di Avenale 40) into "Google maps" it will show you our exact location. Or if you enter our GPS co-ordinates shown below into your Sat Nav these will bring you directly to our gates! Cinzia, Davide, or Alessandra in the bar in Avenale can also explain exactly where we are!

## This page shows where we are with respect to Cingoli, Capo di Rio, Avenale, San Venanzo and Troviggiano. The second page gives precise details on how to find us from Avenale.

The directions below show our recommended arrival route from Avenale. We also recommend that you print off these directions and bring them with you. We further recommend that you try and arrive with us before it becomes dark.

- 1) Arrival from the village itself.
- 2) Arrival from Capo di Rio (Or from Cingoli via Capo di Rio).
- 3) Arrival from Grottaccia (Or from Macerata or Treia via Grottaccia).
